

# LEAD WITH IMPACT™

WWW.SOKOLLRESOURCES.COM

Are you aware that 40% of leaders fail in their role within the first 18 months? And that 50% of employees leave their jobs due to poor leadership? Do not become another statistic. Take control of your leadership journey with the Lead with Impact™ program, designed to guide you to become the leader you are meant to be.

## Lead with Impact

The Lead with Impact™ workshop by The BluePrint Toolset® helps you understand the impact of your **mindset** on your leadership style.

You do not have to work harder to get the results you want; you just need to lead yourself and your team more effectively by adjusting your approach to leadership. With the Leadership BluePrint™ assessment and detailed participant report, you will discover your strengths and any limiting beliefs that may be hindering your effectiveness as a leader.

Based on the latest research in neuroscience and leadership, this program provides clear, actionable steps to improve your leadership skills and make a positive impact on your team.

### LEAD WITH IMPACT

### Our Team

We are a team of **experienced** and **passionate** coaches who share a common vision of helping organizations grow and succeed. We have diverse backgrounds and expertise in various fields, such as business, education, and non-profit. We are also lifelong learners who constantly update our knowledge and skills to provide you with the best service possible.

- Shane Sokoll, Ph.D.
- Edna Sokoll-Arêvalo, M.Ed.

# Lead with Impact Program Outcomes

1. Insight into the power of mindset and the development of you as a leader.
2. Refine one's mindset for enhanced well-being and effectiveness to lay the foundation of leadership greatness.
3. Learn how to engage self and others to a higher level of performance in the areas of:
  - a. Confidence / Efficacy
  - b. Achievement / Goals
  - c. Character / Approach
  - d. Belonging / Relationships
  - e. Purpose / Altruism
4. Develop a written leadership philosophy to guide your leadership growth and impact.

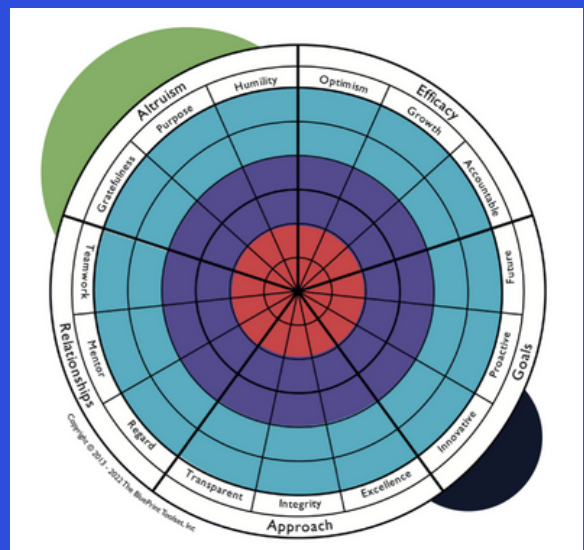

## BluePrint Assessment

Receive personal feedback on your mindset and how this can impact team dynamics through a scientific assessment.

- The assessment provides a visual representation of your beliefs.
- The assessment is divided into five leadership factors and 15 styles allowing you to address any limiting beliefs and become a more effective leader.

*During The Lead with Impact™ workshop, you will explore your personal leadership beliefs and mindset in depth. The program's sessions and materials are designed to help you apply the information to strengthen your leadership skills while addressing areas for improvement.*

### Personal BluePrint Assessment

We look forward to seeing you soon and working with you in the future.

Sincerely,

**The Sokoll Resources Team**
